2008 Reading for Champions!

Dear Educators and Parents,

Welcome to the 2008 season of the San Jose SaberCats "Reading for Champions" program. "Reading for Champions" is now in its 4th season and was established to demonstrate the SaberCats commitment to literacy and developing strong reading habits. The "Reading for Champions!" goal is to reach as many students as possible and we need the help of both educators and parents; please tell a friend! Through your support we can continue to make this program a success and instill the importance of reading and writing at an early age.

If you are interested in signing up your classroom, or your child's classroom, please complete the " Reading for Champions" sign-up form and return to Laura McCormick via fax, mail or email.

**Sincerely,
Laura McCormick
